**LAUGHTER**

**Enda Junkins**, MSW, LCSW is a rare commodity. Known as the Laughing Psychotherapist, she stimulates audiences with presentations on laughter that are entertaining, uplifting and informative. She shares her unique, practical, memorable tools for creating laughter to enthusiastic audience response. A national expert on the benefits of laughter, she speaks with wit and wisdom about the importance of laughter in countless settings. Her presentations are effective for businesses, organizations, and individuals. Enda’s laughter expertise developed over more than 30 years as a psychotherapist using laughter to help heal serious issues and in her years as a professional speaker and Laughter Therapist. She is the author of two books and has produced three DVDs on laughter. Enda is a member of the National Speakers Association.

**SAMPLE PRESENTATIONS**

**Laughter: The Light Solution for Stress**
If one could name 101 solutions for stress, all of them should be laughter. Laughter releases anxiety, changes our perception and helps us cope. It doesn’t eliminate stressors; it changes how we relate to stressors. If we laugh more, we stress less. This presentation energizes, entertains, and informs with a unique approach to the wearisome problem of stress. Participants will:
- Laugh, relax, and moods will lift.
- Learn practical, specific tools to promote laughter daily.
- Be less stressed and more energized.
- Be more aware of the vital role of laughter in stress management.

**Introducing Laughter in the Workplace**
This is serious! Why do we need laughter in the workplace? Laughter reduces stress. It helps employees cope with change. It reduces conflict, and it develops clearer communication. This program provides strategies for including laughter in the workplace for hardworking employees. Laughter strengthens a business and energizes workers. Those attending this entertaining, informative presentation will:
- Learn methods to increase laughter in the workplace.
- Add laughter tools to their tool kits for clearer communication, diffusing conflict, and reducing stress.
- Learn tactics to utilize laughter in coping with change.
- Learn how to incorporate appropriate laughter into management skills.

**Belly Laughter in Relationships: Something Else Positive Below the Belt**
To balance one’s life between work and home, attention must be given to relationships. Marital problems are associated with decreased work productivity, especially in men. Studies show that the strongest factor in overall marital happiness is the amount of fun in relationships. Laughter provides that fun. This unique program for partners takes all the important factors in relationships and lightens them up with fun, effective laughter techniques. Participants will learn:
- How to keep laughing with a partner.
- How to utilize laughter for effective communication and avoiding power struggles.
- How to use laughter to change and accept behavior.
- How and why laughter is vital for long-lasting relationships.

No matter what your focus, Enda Junkins will provide a program specific to your organization that will help you incorporate laughter thoughtfully and professionally.

Testimonials

“We greatly appreciated the expert way in which you connected laughter with the more serious issues producing stress in our lives.”
Ava Hollie, Dist. Training Coordinator, Southwestern Bell Corp.

“You took our woes and integrated them into your talk seamlessly. It was as if a cloud was lifted. Everyone came away invigorated.”
Ina Lee Selden, President Manhattan Passport

“Thanks for speaking at the IPREX Mid-Managers Conference. Participants rated your presentation as one of the highlights of the conference.”
Denisha Stevens, Sr. Vice President, Vollmer Public Relations Firm
